## March 2019 Newsletter

### Curbside Collection

Under the Orange County Curbside Collection program, garbage, recycling, yard waste, and bulk items are each picked up **only one time per week**. The schedule for your community is as follows:

**Garbage collection – Monday**

**Yard Waste, Recycling, and Bulk Items – Tuesday**

Per the documents of your community, we are asking that you please do not place your items outside your home in view from the street on days when you do not have a scheduled pick-up. Please keep them inside your garage, behind your fence, or behind your home.

If you have any questions or concerns regarding the garbage collection program, please contact the Orange County Solid Waste Department. You may reach them by email at [Solid.Waste@ocfl.net](mailto:Solid.Waste@ocfl.net) or by phone at 407-836-6601.

### Suggested Security Measure

We would like to remind residents to turn on front/back patio lights and garage lights as an added security measure each evening. Burglars do not like to be seen, therefore, leaving these lights on at night helps prevent these types of crimes.

### 2019 Budget Requests

If you are interested in obtaining the 2019 Budget for your community, please feel free to review the document on the community website using the following link: <http://www.huntcliffpark.com/budget.html>. You may also contact the management office to obtain a copy via email or regular mail.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, [www.huntcliffpark.com](http://www.huntcliffpark.com). Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

## *Reporting Street Light Outages*

---

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage: <https://www.duke-energy.com/customer-service/request-light-repair>. Please contact the management office if you need assistance or if you have any questions.

## *Please Secure Valuable Items*

---

Please make sure your cars are locked at night, and that all valuables that do not have to be in your car are removed on a nightly basis. If you notice anyone suspicious within the community, please call the Orange County Sheriff's Department at (407) 836-4357. Thank you.

## *Please Pick-Up After Your Pets*

---

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

## *Pool Security System and Pool Keys*

---

Envera Security Systems installed a new security system at the pool. This installation also included new gate access and the use of magnetic pool key fobs for gate entry. If you were unable to obtain a pool fob when Envera Security Systems held meetings at the community pool, please contact the management office at [info@dwdpm.com](mailto:info@dwdpm.com) or 407-251-2200. The management office will arrange a time for you to pick up your key fob at their office located at 9419 Tradeport Drive, Orlando, Florida 32827.

Each household is eligible to receive 1 key fob at no charge if you currently have a pool key. If you do not already have a pool key, a pool key fob may be purchased for \$20.00.

Accepted methods of payment are exact cash, check, or money order made payable to Huntcliff Park at Meadow Woods HOA.

Please bring the following with you to the management office in order to receive your pool key fob:

Owners: You must bring a photo ID.

Renters: You must bring a photo ID and a copy of your current lease agreement.

Also, to receive a key fob free of charge, please bring your current pool key to exchange for a new one.

## *Towing Company Location and Information*

---

Please be advised that the towing company for Huntcliff Park at Meadow Woods is **Universal Towing and Recovery**. The towing company's location has recently changed and is as follows: **Universal Towing and Recovery, 407-816-0102, 206 6th Street, Lot 300 Orlando, Florida 32824.**

If your vehicle is parked on the street at night in our community, you run the risk of your car being towed. Per the rules and regulations of our community, all vehicles must be parked in your garage or driveway at night. If a vehicle is parked on the street between the hours of 12 AM – 6 AM, it will be towed **without warning at the owner's expense.**

**If you are planning a special event or party,** and you will have guests parked in the street from 12 AM – 6 AM, please contact the management office to make arrangements **at least 24 hours in advance** so we may inform the towing company and so we have time for you to pick up parking permits from the management office. Please be aware that the maximum number of vehicles permitted is 10.

If your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation.** **Do not call DWD Professional Management regarding a towing issue.** The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not follow these parking rules, you will be towed **at your own expense** and **will not be reimbursed for any reason.**

## *Architectural Changes (Exterior Modifications)*

---

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process. If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners

who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

## *Pool Rules and New Security System*

---

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

**Please be aware that with the installation of the new Envera Security system, the pool area is monitored. Therefore, anyone found at the pool from dusk to dawn will be asked to leave by Envera Security. Envera will call the Orange County Sheriff's Department if necessary.** Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

## *Monthly Property Inspections*

---

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area.
- 7) Roofs with mold or broken/missing shingles.
- 8) Parking on the grass.
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways.

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection.

Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important, so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.
