Towing Information and Parking Arrangements for Special Events

Please be advised that the towing company for Huntcliff Park at Meadow Woods is **Universal Towing and Recovery**. The towing company's contact information is as follows: **Universal Towing and Recovery, 407-816-0102, 8808 Florida Rock Road, Lot 102, Orlando, FL 32824.**

If your vehicle is parked on the street at night in our community, you run the risk of your car being towed. Per the rules and regulations of our community, all vehicles must be parked in your garage or driveway at night. If a vehicle is parked on the street between the hours of 12 AM – 6 AM, it will be towed **without warning at the owner's expense**.

If you are planning a special event or party, and you will have guests parked in the street from 12 AM – 6 AM, please contact the management office to make arrangements **at least 24 hours in advance** so we may inform the towing company and so we have time for you to pick up parking permits from the management office. Please be aware that the maximum number of vehicles permitted is 10.

If your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation**. **Do not call DWD Professional Management regarding a towing issue**. The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not follow these parking rules, you will be towed **at your own expense** and **will not be reimbursed for any reason**.

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners

who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

Pool Rules and New Security System

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Over the next few weeks, Envera Systems will install a new security system at the pool. This will also involve the installation of new gate access and the use of magnetic pool key fobs for gate entry. Envera Systems will send a representative to our community to issue residents their new key fob for amenity access in the near future. We will send you information regarding the dates as soon as they are available. Please be aware that the system will be monitored from dawn to dusk by a live attendant. Anyone entering the pool during this time will be asked to leave via a loudspeaker system. The attendant from Envera Systems will contact and dispatch the Sheriff's Department if their requests to leave are not followed by anyone trespassing in the pool area after hours.

If you have any concerns or questions regarding the pool rules or the new security system, please contact the management office.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area.
- 7) Roofs with mold or broken/missing shingles.
- 8) Parking on the grass.

g) Commercial vehicles, recreational vehicles, or trailers in driveways.

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important, so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Please Pick-Up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in our community. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass, people with water balloons in the pool area, etc.), please call DWD Professional Management to address these concerns. Thank you.

Association Payments and Bank Information

It has come to the attention of management that a few owners may have questions in regards to payments made directly to the Association's bank, Center State. If you have received your payment booklet, you have several options on how to pay your Association dues.

First, you may mail your payment to the address listed in your payment booklet (P.O. Box 22184, Tampa, FL 33622-2184). If you do, your payment will go directly to Center State Bank. The date the bank indicates that your payment was processed or "received" is the date that is electronically forwarded to the management company and that is recorded in your account history. Management does not control when the payment is processed by the bank. Therefore, management cannot change the date when the payment was received. Please allow several business days for these payments to be processed in order to avoid the application of late fees.

Second, you may make your payment on-line at <https://epay.centerstatebank.com/find>. You will need your payment booklet which includes your Management Company ID (DWDP), Association ID (012), and Homeowner Number (this is your account number). Please be advised that Center State will charge a fee for processing credit and debit card payments on-line. However, the fee is the bank's processing fee, and does not go to the management company or to the Association.

Finally, you may set up direct debit with Center State by either following the instructions in your payment booklet. You will send the application form and a voided check directly to our office for processing (9419 Tradeport Drive, Orlando, FL 32827). Once we process your application, the bank will automatically withdraw your monthly assessment on the 5th of each month. If you have previously set-up automatic draft with Center State Bank, you do not need to send in a new application to continue this service.

However, if you would prefer not to make your payments through Center State Bank, you may either mail in or drop off your payments directly to **our office which is located at 9419 Tradeport Drive, Orlando, FL 32827**. We will take your payments with or without the coupon, and you will receive a receipt with the date the payment was received upon request. The management company's hours of operation are Monday through Friday, 9:00 AM to 5:00 PM. If you have any questions regarding these payment procedures, please feel free to contact us by phone at 407-251-2200 or by e-mail at info@dwdpm.com.
