Halloween Trick-or-Treating Guidelines

We look forward to a wonderful night of trick-or-treating in our community on **Tuesday, October 31st**. Please use the following guidelines for trick-or-treating within the community:

1. Please turn on your front porch light if you would like trick-or-treaters to visit your home. Keep your front porch light off if you are not participating.
2. Please be aware of trick-or-treaters as you drive through the neighborhood.
3. Please make sure you are visible to drivers. Flashlights are a good idea for this purpose or reflective clothing.
4. Parents, please supervise your children and ensure that they stay safe. Always check your children's candy at the end of the evening to

confirm that it is safe for them to enjoy.

5. Please try to limit your trick-or-treating between the hours of 6-9 PM. Since Halloween is on Tuesday night, we all need to get up as usual on Wednesday morning for school and work.
6. Have fun and happy trick-or-treating!

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.huntcliffpark.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Monthly Assessment Reminder

Please remember that the assessment amount is \$105.00 per month. Payments are due on the 1st of each month. Payments received after the 10th of each month will be assessed a \$10.00 late fee.

If you need to check your account balance, you may do so on the owner's online portal or you may contact the management company.

New Upgraded Owner Access Platform - Enumerate

We are pleased to announce that the owner online platform has been upgraded and we will be sending you a new registration email to the email address on file with our office by the end of next week. This new platform will replace the previous online portal and will provide you with additional features and information. With your Internet-enabled device, you will be able to view your current account balance, check your payment history, view your open records (violations, work orders, and service requests), view announcements and alerts for the community, link multiple properties under the same login, and more!

To ensure your privacy, only homeowners whose email address is on file have received a registration email. If you have not provided your email, please send your information to info@dwdpm.com and include your community's name and property address within the community. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account. The link to the new portal is as follows:

[Portal - Login](#)
(goenumerate.com)

Please check your SPAM folder as it may be filtered automatically. After you click the link in the confirmation email you can create your password and your account will be registered. You will then be able to log into your account using your email address and the password you created when you registered. Please make sure to use Google Chrome which is the preferred web browser for the platform.

We encourage everyone to utilize the new on-line access platform in order to review your property account and obtain community information.

Suspicious Activity

If you see people walking through the neighborhood looking into vehicles, looking into the windows of a home, trying to force open a door, or any other suspicious or illegal activities, please call the Orange County Sheriff's Department at (407) 836-4357. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.** Thank you.

Hitting the Barrier Arms and/or Gates

Please be advised that as per the Board, there is a flat fee of \$300.00 that will be charged to any property address that hits the barrier arms and/or gates.

This flat fee is to hopefully cover the cost for any repairs needed, however, if the cost of the repair exceeds the flat fee, there will be additional repairs costs incurred.

Please keep in mind that the barrier arms will open after the gates are fully open. Thank you for your cooperation in this matter.

No Parking on the Grass or Easement

It has come to the Board's attention that there are residents parking nightly on the easement and the grass/yards of the homes to avoid being towed due to the restriction on street parking in the evening. **Please be aware that parking on the grass and the easement is NOT permitted.** All cars must be parked in garages and on driveways.

Thank you for your cooperation in this matter.

Hurricane Season

Hurricane season began on **Thursday, June 1st** and will **continue through the end of November**. The National Oceanic and Atmospheric Administration is predicting a near normal season this year with between 12 to 17 total named storms (winds 39 mph or higher) of which 5-9 may become hurricanes (winds 74 mph or higher) including 1 to 4 major hurricanes (category 3, 4, or 5; with winds of 111 mph or higher). Therefore, please take the time now to prepare your home and your family for hurricane season. Please see the pages below for additional information about hurricane preparedness provided by HIG Insurance. The Federal Alliance for Safe Homes (FLASH) also issued a brochure for the hurricane season. Please use the following link to access this information:

Association Payments Via the Payment Portal with Center State and Payment Reminders

If you have set-up automatic payments through the on-line payment system with Center State Bank, please be aware that DWD Professional Management does not have access to that system and any updates needed must be made directly by you. If you have made any errors in terms of the amount of your payment or the frequency of your payment, please login into the portal to make any necessary revisions.

Go to schedule payments, cancel the current request, and start a new request with the correct payment amount and/or frequency.

Please also be aware that all on-line payments take 2 to 3 business days for processing before they are applied to your account.

In addition, the on-line payment system is a payment portal only. This system is not connected to the account system with the management company. The payment portal does not have any information regarding your current account balance. If you need your account balance or a full detailed payment history report, you must contact the management company directly.

Finally, please be aware that DWD Professional Management does not send payment reminders by text or email. If you

are receiving payment reminders through text or email, this is because you have signed up for it through the online payment portal. If you have signed up for the reminders in error, please login into the portal. Go to notifications and cancel/edit the request and make any changes needed or set-up a new request.

If you have any questions or concerns about the on-line payment portal, please contact the management office for assistance.

Please Pick-up After Your Pets and Keep Pets on a Leash at All Times

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community, you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed of in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well. The Association has installed several doggy stations throughout the

community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others.

It is also extremely important that your dog is on a leash for the protection of other animals and for the protection of people (especially children) who may encounter your pet within the community. Keeping your dog on a leash is also a protection for your pet since it safeguards them from dangerous situations. If you see a dog unattended within the community, please notify **Orange County Animal Control** at the following number: **407-836-3111**. Thank you for your understanding and cooperation in this matter.

Monthly Property Inspections and Notifications

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a partial list of some of the violations that they will be on

the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.)
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house
- 3) Roofs that need pressure washing
- 4) Fences in need of cleaning and/or repair
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Garbage cans visible from the streets
- 8) Roofs with mold or broken/missing shingles
- 9) Parking on the grass
- 10) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your

property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community. If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

Reporting Street Light Outages

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage:

<https://www.duke-energy.com/customer-service/request-light-repair>.

Please contact the management office if you need assistance or if you have any questions.

Pool Rules and the Pool Security System

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time.

Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! ***Since there is not enough light per State guidelines, we must close the pool when the sun goes down.*** Please be aware that Envera Security system monitors the pool every evening after dusk. Therefore, anyone found at the pool from dusk to dawn will be asked to leave by Envera Security. Envera will call the Orange County Sheriff's Department if necessary and the responding officer will issue trespass warrants if needed.

This is considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents. In addition, the

Association will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, ***you may NOT use the pool without a parent or guardian being present.*** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are ***not*** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area. Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Businesses Not Allowed in Huntcliff Park at Meadow Woods

The Board of Directors wants to inform the community that, per the Covenants, no businesses are allowed to operate in the community. Article VIII Section 1A, clearly states in part that all property designated as a Living Unit shall be used, improved and

devoted exclusively to residential use. No business, profession or trade of any type shall be conducted on any portion of the property in Huntcliff Park at Meadow Woods, including Transient Rentals. This prohibition also includes car washing, car repairs, and any other car related business. Please be aware of this limitation as well as Orange County's enforcement of any Code or Zoning violations stemming from any violations concerning their ordinances regarding businesses in residential communities. Also, please note that Orange County has strict guidelines on renting of properties. Short term rentals, such as Air BnB rentals, are only allowed in Zoning Code R3. Greenpointe is Zoning Code PD. Therefore, short-term rentals are not allowed in Greenpointe at Meadow Woods. Thank you all for your cooperation with this matter.

Towing Company Location and Information

Please be advised that the towing company for Huntcliff Park at Meadow Woods is **Universal Towing and Recovery**. The towing company's location is as follows: **Universal Towing and Recovery, 407-816-0102, 206 6th Street, Lot 300 Orlando, Florida 32824.**

If your vehicle is parked on the street at night in our community, you run the risk of your car being towed. Per the rules and

regulations of our community, all vehicles must be parked in your garage or driveway at night. If a vehicle is parked on the street between the hours of 12 AM – 6 AM, it will be towed **without warning at the owner's expense.**

If you are planning a special event or party, and you will have guests parked in the street from 12 AM – 6 AM, please contact the management office to make arrangements **at least 24 hours in advance** so we may inform the towing company and so we have time for you to pick up parking permits from the management office. Please be aware that the maximum number of vehicles permitted is 10.

If your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation. Do not call DWD Professional Management regarding a towing issue.** The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not follow these parking rules, you will be towed **at your own expense and will not be reimbursed for any reason.**

Architectural Changes (Exterior Modifications)

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process.

That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process. If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we

will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days. As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

Tax Information

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2022, and a copy is available for your review. The Statement of Cash Flow for 2022 is also available at this time.

If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at info@dwdpm.com to make your request.

Garbage Cans / Curbside Collection

Please be aware that if your garbage cans are broken and you need a replacement, you need to contact the Orange County Solid Waste Department. You may reach them by email at Solid.Waste@ocfl.net or by phone at 407-836-6601.

Under the Orange County Curbside Collection program, garbage, recycling, yard waste, and bulk items are each picked up **only one time per week**. The schedule for your community is as follows:

Garbage collection – Monday.

Yard Waste, Recycling, and Bulk Items – Tuesday.

Per the documents of your community, we are asking that you please do not place your items outside your home in view from the street on days when you do not have a scheduled pick-up. Please keep them inside your garage, behind your fence, or behind your home.

The Board asks that all residents place their garbage containers out on the **road no earlier than 6 PM the night before collection, and they must be returned to their proper storage areas by 6 PM the day of collection.** Thank you for your understanding and cooperation with this matter.

Hurricane Family Preparedness

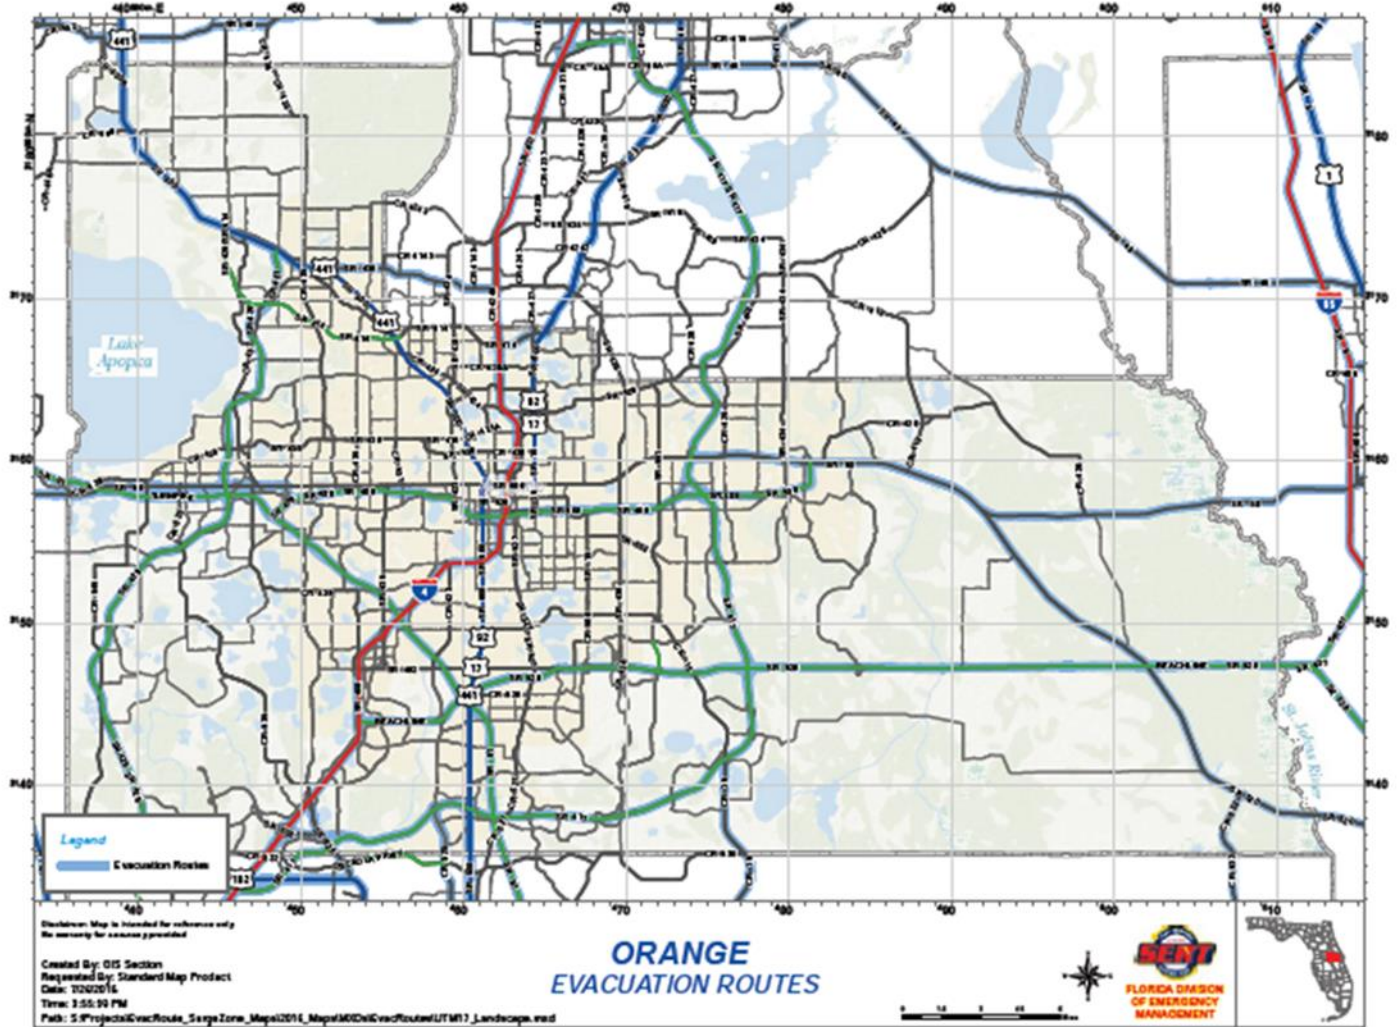

- Hold a family meeting
- Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
- Discuss whether you'll need to evacuate
- Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
- Ensure your assets are protected
- Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
- Assess your home for vulnerable areas
- Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
- Make a plan to protect your vehicles
- Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
- Secure your home
- Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
- Discuss whether anyone in your home is elderly or has special needs and, if so, make arrangements in advance to accommodate those needs.

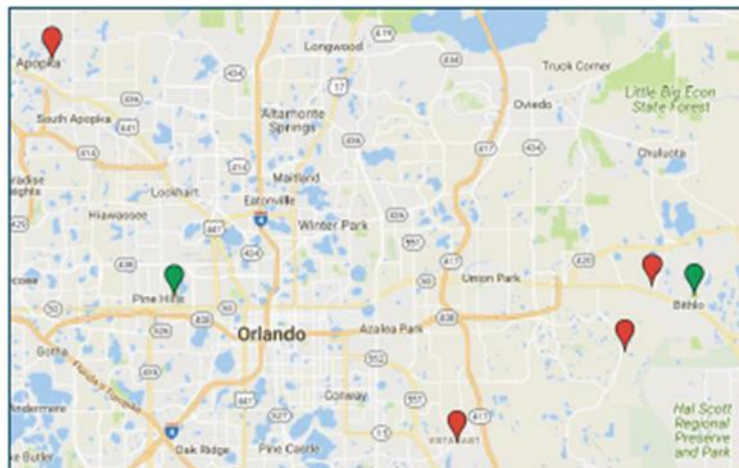

Hurricane Family Preparedness

- Determine how you will address your pet's needs and make a plan for your pet in case you have to evacuate. If appropriate, plan for large animals such as horses
- Gather your supplies
- Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
- Notify others of your plan
- Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
- Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
- Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
- All of your loved ones should agree to call the out-of-town contact to report their whereabouts and welfare
- Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
- When telephone lines are busy, e-mails or text messages may go through when calls cannot
- Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
- Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
- Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items
